Attendance Our school was chosen to take part in a city wide project to promote good attendance. This involved a photographer taking snap shots of many examples of some of the wonderful things that happen in our school involving lunchtime activities, Nursery children playing and learning in their wonderful outdoor space, learning in our immersive classroom and a calming yoga session. A child from each year was also videoed discussing why they love coming to school and why it is so important, read our highlights below,

Kyle - "I love going to Breakfast Club every day."

Abigail - "Learning is fun and very important."

Zakk - "You go to school to make sure you are smart."

Philomena - "Reading is really good and it teaches you new things."

Suvesh - "This year we are learning to play the ukulele".

Lily - "I've just played for the girls football team - that keeps me active and its part of our ALIVE Project".

Zuzanna - "You learn something different everyday, so if you don't come to school you miss out."

Merseyside Futsal Finals

The boys reached the finals with 12 other schools in a competition over 100 teams entered. In an amazingly close group they needed to win the last game to progress to the knock outs. In a thriller of a match they drew 3-3 (Finlay 2, Patrick) and missed out by 1 point. Their final record W2, D2,L2, with Riley scoring all the other goals and being star performer.

Snack

We have noticed recently that children are bringing in sweets, chocolate and crisps for snack at break time. We are a healthy school and promote this throughout the school day. Only fruit is allowed at snack time.

Girls Tournament

The girls qualified in second place to reach the city finals, winning 4, drawing 1 and losing 1 match. They played some lovely football, worked hard as a team and defended strongly. Special mention to Heidi for all her goals, but star performer goes to Leah for her effort and organisational skills.

ALIVE Charter

In assembly Mr Seddon reminded us about how important it is to say nice things to each other and complement each other. Some of the children who have been working on Think Yourself Great sessions received certificates in assembly . We asked the staff to tell us how they have been interacting with each other this week- look at what they said.....

Mrs Lucas told Mrs Gillin about how nice the garden looked and this made her happy!
