Maths

It was 'My Money Week' recently and we marked this in school by taking part in money-related activities.

In reception the children used coins to pay for their snack, practised paying for food in their café and made labels to set up their own toy shop.

Children in other year groups came to tell Mrs Mawdsley what they had enjoyed from their 'My Money Week' activities:

"In the future I will know how much money I will earn in my job and how I can work it out" (Sebastian 4T)

"I liked adding up the money and rounding it to the next whole pound" (Shae 4T)

"We went to the market and collected money by selling our lip balms and bath bombs. We are using the money to adopt an animal as part of our REAL project. We collected about £90." (Shae 3L)

"If I had £1 and something was 40p, then I would get 60p change. We worked hard to try and figure out how much change we would get. Some people used fake coins to help them work it out." (Paisley 2R, Isla 2R, Evie 2D)
