

## St. Teresa of Lisieux Sports Premium

2016/17

### Plan of Action      £9696.00

<u>Focus</u>	<u>Impact</u>	<u>Cost</u>
<b><i>Buying in of UK Military School</i></b>	Military School to come into school one afternoon per week. To work with a range of children across different year groups. They will offer life skills, team building, physical activities and confidence building, especially for vulnerable children who need an increase in self- esteem. They will also offer an after school club one night per week.	<b><u>£9000</u></b>
<b><i>Affiliation to LPSSA</i></b>	Our school will enter the cross country league and championships. With the help of the Wednesday Mile all our children will become skilled and confident in running and fitness. More children will hopefully get chance to run for school. St Teresa of Lisieux will train and enter team for City Athletics Championships in the summer.	<b><u>£160</u></b>
<b><i>Specialist teaching of P.E.</i></b>	Assistant Head teacher to continue teaching P.E. to all year groups 5 afternoons per week. All aspects of P.E. Curriculum will be covered. X 5 afternoons	
<b><i>Residential to Kingswood.</i></b>	Our Year 6 will enjoy a 5 day residential to Kingswood, Colomendy. They will be instructed in activities including Zip Wire, Orienteering, team building, caving and life skills.	
<b><i>Professional Development</i></b>	Cover will be provided for class teachers to observe and team teach with Assistant Head teacher to aid their own teaching skills in P.E. Training will also be provided for TA`s in organisation of games and activities on yard at play and lunch times.	
<b><i>P.E. Equipment</i></b>	More equipment to be purchased to enable the delivery of P.E. lessons . More quality indoor athletics equipment will allow all children to train and improve skills. Quality equipment for the yard will aid activity and participation at all times.	<b><u>£536</u></b>
<b><i>WHAM Wednesday</i></b>	(Wednesday Healthy Active Minds.) Introduced in the summer term. To aid and inform children about benefits of exercise and health. Each class to run 1 mile every Wednesday. Was a big success. With the increasing pressure placed on schools and restricted timetables, our school will be looking for ways to increase activity of children and participation in games and exercise. Structured competitions and activity at playtimes and dinner time will happen.
