WORLD BOOK DAY

5 MARCH 2020

Reading for pleasure is the single biggest indicator of a child's future success. This years World Book Day Share a Story message encourages parents and children to spend at least 10 minutes sharing a story every day.

Parents and pupils can tune in to The Official World Book Day Bedtime Story! STANLEY TUCCI, star of the upcoming film The Witches, (in cinemas October 2020), reads exclusively from the original story (in association with Puffin & Roald Dahl Story Company).

Next week we are going to be sharing stories with each other. We are going to be looking at how picture books can develop our emotional well being, and helping us to be better people .

Please go on to the world book day website to get more ideas on how you can help your child with reading at home and sharing stories. www.worldbookday.com
