

Reception Home Learning

These are the learning opportunities that we will be providing to your child this week.

These activities have been chosen to reflect where we are working within school at this time and will form a smooth continuation of your child's learning to ensure that appropriate learning and progress continues from home.

If you require any support please do not hesitate to ask.

If you require another copy of your child's login details for Reading Eggs/ Mathseeds please contact your class teacher.

Please continue to share with us any photographs of your child's Home Learning (either the activities provided or additional opportunities you discover yourselves through your child's Tapestry account).

Take care

The EYFS Team.

Reading

Please continue to listen to your child read their Home Reader daily – including practicing their phonics flash cards and their green words.

The following video demonstrates how to assist your child with blending <https://www.youtube.com/watch?v=MNyFikwNQIg>

Your child has these flash cards in their book bag along with a set of green words in their homework book.

Maths	Mathematics Mastery	Mathematics Mastery	Mathematics Mastery	Mathematics Mastery	Mathematics Mastery
<p>Mathematics Mastery</p> <p>This week in school we would be covering</p> <p>Please follow the link to The Oak Academy where you will find a pre-recorded video of the maths lessons we were due to deliver in school this week.</p>	<p>Unit 7 Lesson 5: Review 1 Calendar and Time</p> <p>https://classroom.thenational.academy/lessons/consolidating-learning-64rpct?activity=video&step=1</p> <p>Please find supporting documents for this lesson in the tab on the left-hand side of the web browser.</p> <p></p>	<p>Unit 8 Lesson 10 Review 2 Numbers within 10 (Vocabulary)</p> <p>https://classroom.thenational.academy/lessons/using-key-vocabulary-associated-with-ordinal-numbers-1st-to-10th-6dgp4r</p> <p>Please find supporting documents for this lesson in the tab on the left-hand side of the web browser.</p> <p></p>	<p>Unit 9 Lesson 5 Review 3 Addition and subtraction</p> <p>https://classroom.thenational.academy/lessons/adding-and-subtracting-using-a-number-track-crv6at</p> <p>Please find supporting documents for this lesson in the tab on the left-hand side of the web browser.</p> <p></p>	<p>Unit 13 Lesson 5 Review 4 Doubling and Halving</p> <p>https://classroom.thenational.academy/lessons/applying-understanding-of-doubling-and-halving-6rwp4r</p> <p>Please find supporting documents for this lesson in the tab on the left-hand side of the web browser.</p> <p></p>	<p>Unit 14 Lesson 5 Review 5 Shape and Pattern</p> <p>https://classroom.thenational.academy/lessons/exploring-counting-in-groups-of-five-60rkec</p> <p>Please find supporting documents for this lesson in the tab on the left-hand side of the web browser.</p> <p></p>
ALIVE Focus	Emotions	Volunteer	Learn	Active	Interact
<p>A Active</p> <p>L Learn</p> <p>I Interact</p> <p>V Volunteer</p> <p>E Emotions</p>	<p>Today we would like to think about our emotions. What makes you feel happy and safe?</p>	<p>Part of volunteering is doing something nice for others. Through kindness towards others, we also find comfort and happiness.</p> <p>Draw a picture for somebody who you have</p>	<p>We are all very excited to have you all back to school where we can learn and socialise together again.</p> <p>Draw a picture of yourself learning in your favourite</p>	<p>Being active helps our body and mind to keep healthy. How do you keep active? Do you have a special interest in sports or do you enjoy walking and spending time in nature?</p>	<p>Socialisation and interaction with others has been something we have all missed so very much. We have learned over this time to communicate in many ways.</p>

	Draw a picture of yourself and write what makes you happy.	missed during lockdown and write who it is for.	part of our school environment.	Draw a picture of yourself being active and write the name of the activity.	Can you make a rainbow thank you card to someone who has helped you over this time. You could post it or keeping within the guidelines, give them the card yourself when you can.

Purple Mash

Your child can access Mini Mash through their Purple Mash login.

Mini Mash has lots of age appropriate games and activities that your child can complete.

Don't forget to save any work in your child's tray.

ReadingEggs and Mathseeds

Your child can access both ReadingEggs and MathSeeds with the same login.

Once your child has completed the daily phonics and maths lessons – you will find more activities available through ReadingEggs and MathSeeds.

School Website

If you require further activities then you will find a large collection of additional opportunities available on our school website

<https://www.stteresaoflisieux.co.uk/home-curriculum-eyfs/>

Here you will find links to lots of online activities in a range of different areas of learning.
