

14 Years ago on this day, Facebook was launched by Mark Zuckerberg. He created the site in his dorm at University, and it has grown to becoming one of the largest social media sites on the internet today, reaching 2.2 billion monthly active users in 2018.

Facebook users around the world

The table below highlights how many active Facebook users there were per country.

World Region	Facebook Users in October 2017
Africa	160,207,000
Asia	736,003,000
Europe	343,273,740
Latin America/Caribbean	370,975,340
Middle East	86,700,000
North America	263,081,200
Oceania/Australia	19,463,250

1 Rounded to the nearest million, how many users were there in Africa and the Middle East?

2 How many more users were there in the Caribbean than in North America?
