

29th March 2018

Dear Parents/Carers,

I am sure you and the children are all ready for a wonderful Easter break. It has been a long term and it is hard to believe that when we return, we will be in the final summer term.

This morning we reflected on our journey through this season of Lent in church and celebrated the Easter story. I am grateful to Mr Seddon for his work with the children to prepare for today. It always helps to focus our minds on the events of Holy Week.

The children have enjoyed some fantastic Holy Week activities over the last couple of days as we reflect on the days leading up to the Easter celebrations. They have been sharing and engaging in class reflections and visiting church to learn about the Stations of the Cross.

Our Nursery children have displayed some very creative Easter Bonnets this morning. They (and their mums and dads) have been working hard on these creations. Thank you to everyone who took part.

Lent Fundraising

Over the last few weeks, the children have enjoyed taking part in activities to raise money for the Good Shepherd. Once again, through your generosity we have raised in the region of £319.39. I would like to thank you all for your support.

Summer Uniform

Hopefully the summer term will bring with it some warm sunshine. This is just a reminder that the children can wear summer uniform when we come back, as per our school uniform policy. Please remember, strictly no trainers in school please.

Grey shorts/trousers
blue and white checked dress
White polo shirt/shirt and school tie
School jumper/cardigan
Grey/black /white socks
Black shoes
Studded earrings only

Water Bottles

Please ensure that only water is brought into school and that any snacks for break time are either fruit or a healthy snack.

Building Work

Some 40% of our school building has had a new roof fitted over the last 3 months. Over the Easter break and during the first week back in April we will be continuing with our outdoor improvements. Early Years will be having new canopies fitted, we will have a fantastic outdoor learning space created on the Sedgemoor Road side of school too. On the rear playground we will have an additional trim trail (climbing frame) and our younger pupils will be able to enjoy an observation tower situated in our orchard. Please bear with us during the first week back with any building works on site.
