Our school target is 97%.
We are below our school target, so
please do everything you can to
make sure your child is in school and

The first term in now in full swing and the children have all been working very hard. Our Early Year’s children have all settled in to school life. Over the past week you should have received a newsletter about all the exciting learning that is going on each year group.

A polite reminder that we are encouraging children to keep their PE kit in school and only take it home at the end of the term. Also we have noticed that a lot of children are coming into school without a school tie. All children from Year 1 upwards should wear a tie, please support us in this matter. The office will have some in school next week for £1.

TIMES TABLES ROCK STARS

In Year 6, we have seen the introduction of 'Times Tables Rock Stars'. The aim is to improve your rock speed to become a 'Rock Hero' by answering/knowing your times tables in less than 3 seconds!! Alfie in 6MB is leading the way in the school answering over a whopping 2,000 questions and doing this in 1.8 seconds per question! “Keep up rocking those times tables Year 6.” This can be found at www.play.ttrockstars.com

Look out over the next few weeks as all children in KS2 will be wanting to go on Reading Plus at home. The children all have login details for Mathletics so please encourage them to go on this at home, as we are running a competition in school.

Other Events

School photos will take place on Tuesday 25th September, so please ensure you have filled in a form for family photos. As this takes all day, using the two halls. The children will be having lunch in class. In the future we will be having school photos every September whilst the children are dressed in their new uniform.

After School Clubs

All our after school clubs are now up and running. Please ensure that your child attends them. If they are unable to attend please let the office staff know if there is a problem. Places are limited for certain clubs and we have a waiting list.
