

St. Teresa of Lisieux Catholic Primary School
Utting Avenue East
Norris Green
Liverpool
L11 1DB

0151 226 5018

Headteacher : Mr Andrew Tremarco
NOR: 493

Post: Specialist Mathematics Teacher
Salary: MPS 24,194.00 - 35,708.00

Our school is situated in the Norris Green area of Liverpool and we currently have 493 pupils on roll. Maths is a key area of development across the whole school. We were last inspected by Ofsted in October 2016 and judged to be 'Good' in all areas. The report states, "St Teresa of Lisieux has improved significantly since its previous inspection. School leaders have established an ambitious vision for the school."

This is an exciting opportunity to play an important role in a forward thinking and exciting school. The governors wish to appoint an outstanding maths teacher who wants to develop into a future leader. We are primarily looking for somebody who will work with upper key stage 2 children, but you must have the ability to teach across all key stages. There will be elements of staff training with this post.

We need someone who is not afraid of challenge and would enjoy taking strategic responsibility for certain elements of the schools development. In return, we offer an opportunity to enhance your career chances for the future.

We are looking for an enthusiastic, energetic and motivated teacher with a commitment to mathematics and creativity, someone who wants to develop their leadership skills and would relish the opportunity to lead their own projects in the school.

We have a fun-loving, friendly staff and we want to find someone who will add to our positive school ethos and thriving team!

St Teresa of Lisieux Catholic Primary School's mission is:

All things are possible when we love, learn and grow together

This encompasses everything that the school strives for so that everyone can succeed and be the best that they possibly can. The successful candidate will need to demonstrate a passion for improving outcomes for the whole of the St Teresa of Lisieux team, believing that everyone can achieve anything that they aim for including themselves.

We are committed to safeguarding and promoting the welfare of all children. This post is subject to an enhanced disclosure check.

This is definitely an opportunity not to be missed!

What we can offer:

- Great facilities
- Work with a fantastic team
- A full induction programme
- Continuing professional development opportunities
- A friendly, supportive and vibrant environment to work in
- An ethos of humility and commitment to workforce remodelling
- Positive, hard working respectful children
- High expectations of pupil attainment and achievement

What we are looking for:

- A caring and well motivated maths teacher (with a maths specific qualification)
- A dynamic and enthusiastic practitioner
- A belief in the empowerment of children, with the ability to build positive relationships throughout the school community
- A sense of humour (essential)
- NQT's and RQT's welcome to apply

Visits to school are encouraged Please contact our School Business Manager Mrs Carol McMullen by telephone 0151 226 5018 or email

Application forms and further details can be obtained from our school website www.stteresaoflisieux.co.uk or Contact Mrs Carol McMullen, School Business Manager: admin-ao@stteresas.co.uk

Closing date - Wednesday 15th May 2019

Interviews – Week commencing 20th May 2019
